Mr. Frank W. Wilson, Principal

Mr. Wilson, who is responsible for the smooth operation of PHS, takes time to outline the school activities for a Little Harvester reporter. Mr. Begert works constantly keeping our daily attendance records complete and accurate. Mrs. Roberts keeps the records and correspondence of the school in order and advises students about schedules. Mrs. Roberts has a full-time job, yet she always finds time to help students. Mrs. Capps advises students about subjects to take to prepare for college and helps in the selection of a college or vocation. Mrs. Capps also is the sponsor of the Student Council.

FRESHMEN

Bob McPherson and John High, president and vice-president, respectively, of the student body, are pictured here in their weekly role of presiding over the assembly. As officers of the student body they are automatically the presiding officers of each week's Student Council meeting. Bob and John were elected by popular vote of the student body. Under their leadership, the Student Council carried through many worthwhile projects during the year.

Seniors

James Gallemore, senior class vice-president, Joyce Jones, secretary, and James Moore, president, pose on the newly acquired "victory bell."

The seniors' first big event was the traditional Mardi Gras masquerade ball on November 17. The senior play was presented on March 2-3. During the second semester, the Junior-Senior Banquet was held in honor of the seniors, and the Senior Banquet was held in the First Baptist Church.

Spanish Clubs

Virginia Vaughan
Sponsor

The Spanish Clubs are organizations in which not only a better and fuller understanding of the language is acquired, but also of those people that speak this language. Belonging to this organization helps create a better friendship with our South American Neighbors.

One of the favorite pastimes of the club is seeing movies made in Mexico and in Spain. The one big event of the year is the "Pan-American Banquet" held each Spring.

Yes, it's Spanish, the language of romance!!

SPANISH I CLUB OFFICERS: First Row: Virginia Walls, Betty Walls, Betty Kiff, Charlotte Allston, Dorothy Meers, and Jacqueline Merchant. Back Row: Harold Smith, Gregory Keys, DeWey Cudney, and Ray Velasquez.

LATIN CLUBS - The Latin Club is one of those active organizations that make Pampa High School outstanding. The ex-Latin members are always welcome to come to all of these activities.

The projects for this year are working for better shop facilities, helping with the stagecraft for the junior and senior plays, and sponsoring lecture and practice meetings in leather tooling, internal plastic carving, wood carving, and fly tying.

Mr. Myles O. Morgan
Wood Shop Instructor

THE VOCATIONAL INDUSTRIAL CLUB, sponsored by Mr. Brummett, is a branch of the machine shop and is affiliated with the national organization of such clubs.

The main purpose of the club is to introduce its members to the problems of industry, to teach them how to get started on the job, how to develop the necessary skill to be successful workers in industry, and how to be cooperative with their fellow man.

Mr. O. L. Brummett
Machine Shop Instructor

The projects of the year include the making of a miniature oil well derrick with battery, machinist hammers, punches, chisels, and many other necessary tools and machine equipment, such as gears, that will be used in the school shop and by the maintenance department of the schools. The club strives to make students into men of responsibilities who can run the nation's industries.

Mr. Kenneth Baumgardner
Director of Choral Music

Highlights of the year 1949-1950 for the A Cappella Choir was their trip to Dallas to attend the Highland Park Festival; the Spring Festival; the Interscholastic League Contest in Canyon; the presentation of the king and queen, Paul Boswell and Nina Spearman, in assembly; the choral clinic which was held in Pampa in March; and their Christmas Concert and caroling party. This group also sang for many of the civic clubs and for the elementary schools. The mixed choruses and the Girls' Glee Club took part in the Spring Festival; in the Christmas Concert, for which they worked very hard to learn "The Heavens Are Telling;" and the High School Choral Department Clinic.

Mr. Baumgardner supervises choral music in all Pampa schools and directs the A Cappella Choir and two mixed choruses.

Miss Grace Crump
Choral Teacher

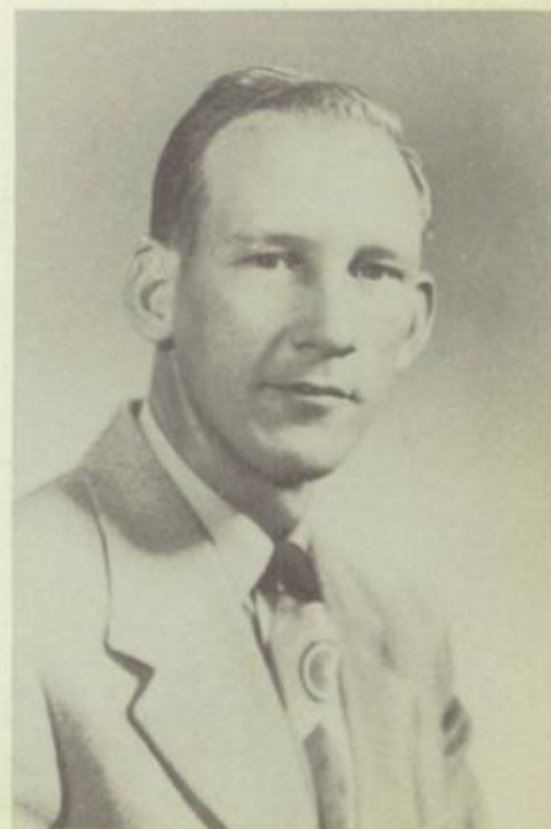

Miss Crump teaches a mixed chorus and the girls' glee club at high school and choral classes at junior high school.

Mr. Butler and Mr. Means train the band in concert playing and in the marching formations which they plan for performance during the halftime period at football games.

In addition to playing for the football games, the band cooperates with community celebrations and drives by marching in parades in Pampa and nearby towns and by furnishing music for other civic gatherings. Two concerts to which the public is invited are presented each year; they are the Winter Concert and the Spring Concert following the band clinic. The annual assembly concert was, for the first time, broadcast over station KPDN this year. The PHS band consistently ranks high in marching and concert playing at both the Tri-State Band Festival in Enid, Oklahoma, and the Interscholastic League Contest in Canyon.

First Team

ALL-DISTRICT FOOTBALL

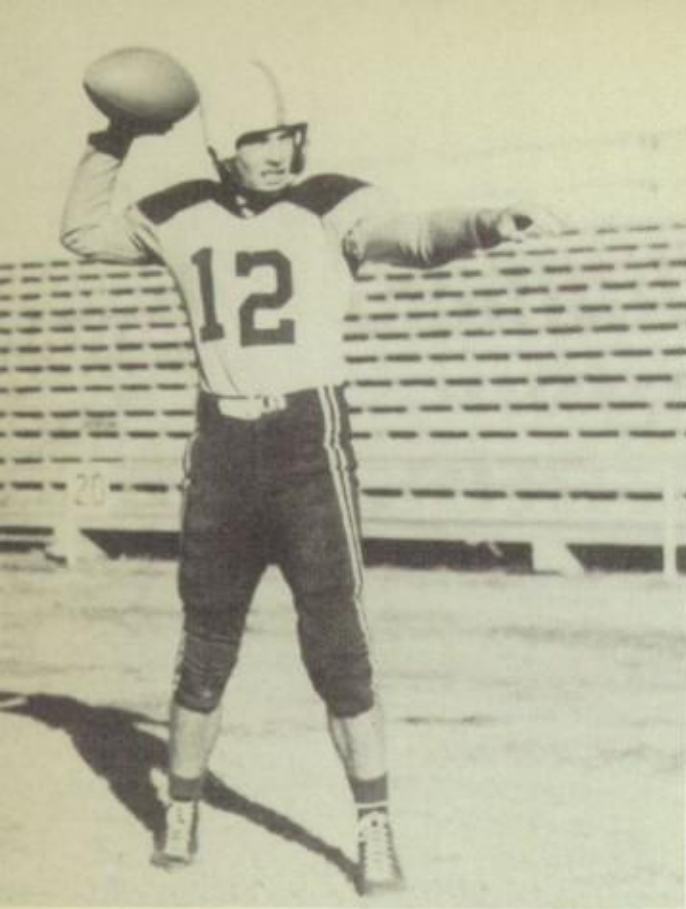

The 1949 Harvesters turned out one of the most surprising teams in the history of District 1-AA. Rated as underdogs by even the optimists, they not only rose to the top to win the district championship, but they won eight of their eleven games, and in a memorable game they won a decisive victory over Amarillo. Despite their lack of weight and experience, they proved once and for all that courage and teamwork are what it takes.

HONORABLE MENTION

Jimmy Parker, Weldon Witcher, Paul Boswell, Glenn Tarpley, James Holt, Weymar Osborne, Carl Kennedy.

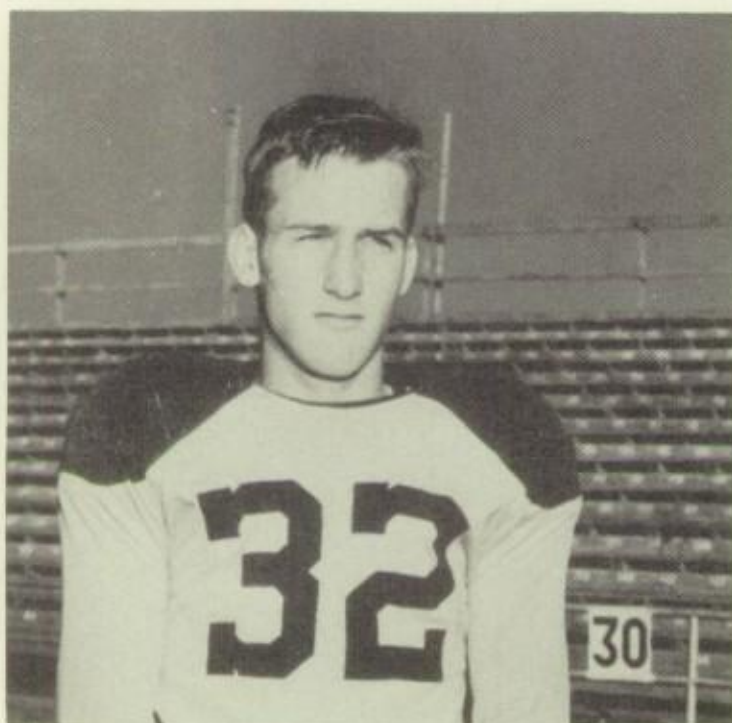

Second Team

Carroll Smith, Quarterback

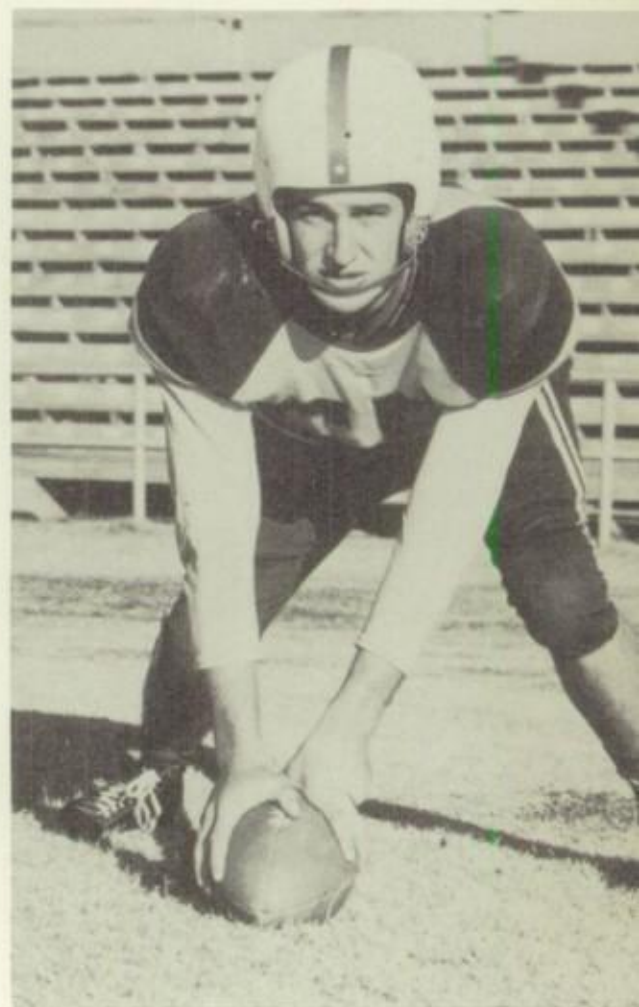

On November 5, The Harvesters, still rated a very minor threat in District 1AA, even after four wins against two losses, met the Amarillo Sandies on a clear afternoon and proceeded to move into the district spotlight by coming from behind three times before finally taking a 20-12 victory.

Finding themselves now definite favorites to capture the district grid crown, Coach Tipps' charges traveled to Plainview in order to gain undisputed leadership in the district football race. The Pampanos jumped to an early lead, which they never relinquished, winning the contest 31-0.

On Thanksgiving Day, the locals faced their last conference opposition at Borger. The Bulldogs were considered capable of pulling major upsets throughout the season, having probably the best material of any squad in the district, and they almost lived up to their title by holding Pampa to a close 14-7 duel.

The Green and Gold footballers finally had to face defeat with the bi-district title at stake. The future state champion Wichita Falls team downed the locals 20-12. However, this was the closest game of the season for the Coyotes before they met Austin in the state finals.

ALL-DISTRICT TEAM

The Harvesters completed their 1949-1950 cage season with nineteen wins and five losses, giving them second place in the district. The Harvesters on the all-district first team were chosen unanimously, and deservedly so, for the students of P.H.S. will long remember this combination. This season was made a success by the unprecedented record which the Harvesters set by keeping their slate clear against the Amarillo Sandies.

Pat Woodfill was chosen by popular vote to represent the Girls' Sports Club as the best ALL-AROUND ATHLETIC GIRL for the year 1949-1950. Though this is Pat's first year on the volleyball team, she made the first string. She has entered tumbling and tapping this year. With this enthusiasm, Pat, now a freshman, should continue to be a real asset to the physical education department.

The Girls' Sports Club was organized for the first time during the school year of 1949-50. The club sponsors the various activities pictured on the following pages, and each member may participate in as many of them as she desires. A system of points and awards helps to maintain the interest of the girls, as does the purpose of the organization, which is to uphold the high ideals of the school and the club and to promote good sportsmanship to the highest level.
